Vitamin Recovery *Body Wrap*

This experience begins with a dry brush full body exfoliation to sweep away dead skin and rev up circulation. Next, a firming and toning chocolate fig vitamin recovery serum is applied and you are wrapped in nourishment as it gently warms on the skin. The journey continues with an application of our hydrating agave oil after a Eucalyptus steam shower.

50 min. | \$130* (reg. \$160)

Renewed Radiance *Facial*

Reveal your natural glow. A cucumber extract and polyphenol-rich, green tea cleanser helps to remove oil and impurities without over drying. We follow up with a rose water tonic that helps to minimize the appearance of your pores. A fine sugar scrub will loosen dead skin cells and reveal silky skin beneath. Next, our revitalizing Vitamin C-rich mask will clarify and tighten. We finish with a blue matcha facial hydrator, paired with an eye transforming serum and 100% mineral sunscreen to keep your new glow protected.

Agave Nectar *Massage*

Melt into pure relaxation while we help to relieve tension as you are massaged with a warm nourishing oil made with agave leaf extract and sweet almond oil that is rich in Vitamin E.

Prickly Pear *Pedicure*

Feet are soothed and softened in a warm fizzing soak with the scent of sweet berries. Next, a fine sugar scrub infused with jojoba and organic prickly pear extract will exfoliate and smooth. We finish with a gentle massage using our sweet cream lotion and a polish of your choice.
