# Food, Beverage, Terms & Conditions

## Food & Beverage Minimum & Pricing

To have private space a food and beverage minimum is required. Your catering manager will discuss with you in detail the varying minimums. Minimums differ based on size, space, time of year and the day of the week of the event. These minimums do not include service charges, labor fees, taxes, or any other fees outside of food and beverage product sales. Food & beverage pricing listed herein are valid through December 31, 2023. Food and beverage pricing will be confirmed 6 months in advance of your event and is subject to change without notice.

## Food, Beverage & Tastings

All food and beverage must be provided by the restaurant. It is against the restaurant license and the Arizona State Liquor law to bring in any outside food or alcoholic beverages. With a contracted exclusive event of \$10,000.00 or more, a complimentary tasting for two (2) people will be provided. Additional guests can attend at \$50.00 per person with a maximum of 4 total guests attending. Tastings are scheduled Tuesday through Thursday at 5pm or 6pm (based on availability). ## Guarantee & Pre-Selected Choice of Entrée Menus

We require a final guest guarantee by 12 noon, five business days prior to your event. This number will be your guarantee and what you will be charged for and cannot be reduced. We will prepare food for 3% over the guarantee. If a guarantee is not given, we will use the expected number from the initial catering agreement, or the last estimate given. Increases in guarantees may be accepted up to 24 hours prior to the event, subject to product availability. Final charges will be based on your guarantee or the actual guest attendance, whichever is greater. With a "Choice of Menu" entrée breakdowns are due five business days prior to your event along with a method by which to identify each guest's entrée selection the night of. For additional entrée selections, it is an extra \$15.00 per person.

## Taxes, Gratuity & Service Charge

## Outdoor Function Clause

We reserve the right to make the final decisions regarding outdoor functions. The decision to move to an indoor location will be discussed with you and based on prevailing weather conditions and the local forecast. Weather back up move verdict will need to be made at least four (4) hours prior to the event. Any client decision to keep a function outdoors, which would require a move-in with less than the mandatory four (4) hour notice, will be assessed at a labor charge of \$500.00.
